

A Shell Needle-Book Design

Based on an Original Needle-book

Please refer to *Fanciful Utility* by Anna Worden Bauersmith for specific and detailed construction techniques to complete your project.

*This original sea shell needle-book is quite similar in construction to the one presented in *Fanciful Utility*. In this case, the original sea shell needle-book has a dark blue silk exterior with what may have been a white interior. The embroidery and ribbon are both a deep blue as well.*

*Construct this needle-book in the same manner described for the sea shell needle-book in *Fanciful Utility*.*
